

# The Painting Experience

in Thailand!

With Stewart Cubley and Zainab Zoeb

## Awakening the Creative

**Are you longing to reclaim your creative freedom?**

Are there tender places within you waiting to be recognised?

Do you yearn to take a leap in your life, even if it means facing uncertainty?

For almost 50 years, **The Painting Experience** has positively impacted personal and professional lives of thousands of people who have participated in the transformative potential of process painting.

**Process painting offers an exceptional opportunity to profoundly inhabit the present moment. A practice of equanimity, presence, and learning to stay in the face of what arises.**

Your tuition includes 25+ hours of facilitated painting sessions, audio-visual educational insights and printed material to deepen your engagement. In addition to accommodations, meals, and all art materials, there will be daily group discussion circles. We hope you'll join us for this first-ever Painting Experience workshop in Thailand!

**Offering CEUs for MFT/LCSW/LPCC/LEP & RN**

# Koh Samui, Thailand

**September 13th - 20th, 2025**

Situated on the south coast of Koh Samui, a tropical island in the Gulf of Thailand, the center is surrounded by towering coconut trees with incredible sunrises and sunsets that play with the colors of the water, sand, and tropical fauna. The beach is non-touristy and virtually undisturbed, creating a beautiful, peaceful setting for you to enjoy your Thailand stay.
