Facilitated by Bob Hardy
Associate, The Painting Experience

Location:

1871 Geary Road, Walnut Creek, CA 94597

Process painting makes the experience of painting more important than the outcome. When the pressures to perform, produce or succeed are removed, magic happens.

The Unity Center of Walnut Creek is the perfect location, with easy access and options for local accommodations and dining.

Tuition: \$150/day ~ Your fee includes all art materials, facilitated painting sessions with Bob Hardy, and daily group discussion circles in a small, supportive community.

Daily Schedule: 10 am – 4 pm
Choose to attend one, two or all three days
